

CELEBRATING OUR CATHOLIC COMMUNITY

## WHAT IS “AUCTION WITH A TWIST?”

### MISSION STATEMENT:

- 1) To unite the St. Mary Catholic Church and School Community in a way that creates more awareness of opportunities for volunteerism, education, and growth in our spiritual faith within our parish.
- 2) To unite the Catholic Parishes of Charlevoix County (St. Mary, Boyne Valley Catholic Community, St. Joseph, St. Luke) as well as other faith based community organizations (Kari's Closet, Joppa House, etc.) by coming together to create community awareness of both the financial needs and volunteer opportunities throughout the Charlevoix County Catholic Community.
- 3) To promote and grow St. Mary Catholic School as both an awesome and viable education option for the greater Charlevoix County Area through the demonstration of our children, faculty and school families.

### WHAT MAKES A TWIST AUCTION UNIQUE:

- 1) A Twist Auction is a silent auction with a TWIST! Instead of tables filled with items you may only use for a little while or not at all, our Twist Tables are filled with items that give you a chance to meet the real needs of our Parishes and School with monetary donations that keep giving. Examples would be: Computer Lab Supplies, Books for Youth Ministry, Reading Curriculum, etc.
- 2) Twist Tables Double Your Donation! For every dollar donated at a Twist Table, another dollar is donated to the need or cause. The goal of the match is to inspire our guests to collectively sponsor all of the needs of the Twist Tables the night of the event.
- 3) Twist Tables are Easy! There are no minimum bid amounts at a Twist Table. You can give \$1 or \$1,000,000. The point is to work collectively to meet the real needs of our faith community.
- 4) Twist Tables are 100% Tax Deductible!
- 5) Twist Table Raffle! To entice everyone to visit every Twist Table and hear that need's "pitch," each guest who visits all of the Twist Tables will be entered to win a prize later in the evening.
