

Dear 5th Grade Parents,

The 5th grade students have not made much progress with their science vocabulary mastery practice assignment in Quizlet. So I will give them another day. Please remind them to join the class before they start any work or the results will not show up and it will result in a missing assignment. I have sent an invitation to join to their school email accounts and there is also a link to join the class in their Google Classroom accounts.

Watch for our next lesson posting on Monday 😊

As always please let me know if you have any questions.

Stay well and God Bless.

Mr. Anderson
