

Dear Middle School Parents,

The 6-8th grade students have a Prodigy Math Practice Assignment for Thursday and Vocabulary mastery practice on Quizlet which are both now available on Google Classroom.

*Prodigy Thursday! All middle school Prodigy math time at 10 am Thursday. Use Google to sign-in and Google Classroom to message each other about locations etc. Catherine/Sloane and Lena/Blaise please coordinate messages between grades:) I can keep track of your actual time on Prodigy, so please practice at least 45 minutes before Monday. Please let me know if you have any questions.

Remember that the 7th and 8th grade students have an Element Research Project writing assignment which is due Thursday 4/16, but I will not count it late if it is posted by Friday 😊 We will have a Zoom mtg on Monday at 10am to discuss the research and to play quizlet.

As always please let me know if you have any questions.

Stay well and God Bless.

Mr. Anderson
