

Dear Middle School Parents,

Tomorrow's lessons are now available in Google Classroom.

7/8th Grade:

There are IXL math assignments and a science reading assignment and online quiz.

We will have a Zoom mtg. Wednesday at 10am to discuss their results. I will send an invitation tomorrow.

6th Grade:

The 6th grade students have IXL math assignments for tomorrow and a science reading assignment and online quiz.

If your student has not made their choice of element for the element project please ask them complete this step and send it to me. The project description is on Google Classroom. It will be due next Monday and we will meet next week on Zoom to discuss their results.

Please let me know if you or your student has any questions, difficulties, concerns or suggestions. The best way is through this e-mail at sanderson@stmaryschoolchx.com.

Stay Well and God Bless,

Steve Anderson
