

Dear Middle School Parents,

The 6-8th grade students have a Prodigy Math Practice Assignment for Thursday and Vocabulary mastery practice on Quizlet which are both now available on Google Classroom.

*Prodigy Thursday! All middle school Prodigy math time at 10 am Thursday. Use Google to sign-in and Google Classroom to message each other about locations etc. I can keep track of your actual time on Prodigy, so if you cannot make it for the math hour then please practice at least 45 minutes before Monday. Please let me know if you have any questions.

There seemed to be some problem with the Zoom mtg invitations today for the 7/8th grade science mtg. We will try again on Friday at 10 am to discuss their research and to play Quizlet. I have sent a Zoom mtg invitation to the students e-mail and posted the invitation on the Google Classroom.

As always please let me know if you have any questions.

Stay well and God Bless.

Mr. Anderson
