

Dear Middle School Parents,

I have sent missing assignment reports to all middle school parents. Please let me know if you have any questions with the report.

The 6-8th grade students have an IXL Math Assignment for Monday and a science reading and quiz assignment which are both now available on Google Classroom.

Upcoming: Virtual tour of a Pharmaceutical Company due Tuesday. Khan Academy Assignment due Wednesday. 6th grade students has Element Research Slide project due Wednesday.

I will meet with the 6th grade students on Friday at 10 am to discuss their research and to play Quizlet. I will send a Zoom mtg invitation to the student's e-mail and post an invitation on the Google Classroom.

As always please let me know if you have any questions.

Stay well and God Bless.

Mr. Anderson
