

Dear 5th Grade Parents,

The 5th grade students have a science reading lesson for April 15th which is now available on Google Classroom.

The science assignment has a reading assignment with a short online quiz in Google Classroom covering the reading. They may use their book for these quizzes.

We will also have lessons on Thursday and Friday this week so watch for the postings 😊

As always please let me know if you have any questions.

Stay well and God Bless.

Mr. Anderson
