

Dear Middle School Parents,

I have sent missing assignment reports if your student is missing more than two assignments. If you have not received a report today your student is only missing one or two assignments. I will send another report next weekend.

The 6-8th students have IXL Math Assignments for Monday, Tuesday and Wednesday and Prodigy assignment for Thursday. They will have reading and quiz assignments for Monday and Tuesday, an IXL science assignment for Wednesday and a Virtual Field trip for Thursday. The assignments will be available on Google Classroom by approximately 3pm daily for the next day.

IXL now has a live messaging feature where I can send help if they seem to be stuck at any point. I will be monitoring student work from 8am – 3pm on school days. Also please let me know if they need any help at all either by messaging, e-mail or Zoom teacher office hours. Please let me know if you have any questions.

There will be no assignments for Friday or Monday for the Memorial day weekend.

They also have a virtual experiment in electricity and IXL math assignment due Tuesday and Khan Academy assignment due Wednesday that were assigned last week.

Please let me know if you or your student has any questions 😊

Stay well and God Bless.

Mr. Anderson
