

Dear Middle School Parents,

Tomorrow the middle school students will be going on another Virtual Field Trip hosted by Discovery Education to study "How Nature Inspires Science". The assignment is posted on Google Classroom and is due 5/12. Please read the assignment instructions completely before starting. Students may watch the video as much as need to answer the quiz questions.

There is no new math homework for tomorrow. Only to ask them to catch up on previously assigned lessons. I will send out the next missing assignment report by Monday for your student.

As always, please let me know if you have any questions.

Stay well and God Bless.

Mr. Anderson
