

**Fourth Grade Curriculum**

<b>Fourth Grade Curriculum</b>						
<b>Jesus Our Guide</b>		Through studying the development of salvation history, students come to a better understanding of God, his plan for man, and our relationship with God. Students develop a better understanding of their purpose and goal in life and a deeper appreciation for the Church as the very means that God has given us on our pilgrimage to heaven.				
<b>Creed/Scripture</b>		Students develop an understanding of the mystery of Christ through age appropriate teachings on Church doctrine and scriptural references as listed below and in the teacher's manual.				
<b>Sacraments</b>		All of the sacraments are presented in the fourth grade. The sacraments emphasized in fourth grade are the sacraments of initiation and the Sacrament of Penance.				
<b>Christian Life</b>		Throughout the fourth grade, students develop their understanding of the dignity of the human person. Students learn to live out their faith and respond to what they learn by forming a moral conscience and by living out their call to justice and service by imitating the life of Jesus. Special emphasis is given to the Ten Commandments.				
<b>Prayer</b>		Throughout the fourth grade, students develop a prayer life that includes participation in the Mass, which is the greatest prayer, and praying traditional Catholic prayers. In the fourth grade, special emphasis is given to spontaneous prayer.
