

MISSION STATEMENT

The St. Mary Catholic School community empowers students to grow spiritually, academically, creatively, and physically so they may experience, understand and live their responsibilities to God, family, community and self.

Builders Club: Did you know that St. Mary School had a Builders Club?

Builders Club is a service organization for middle school students sponsored by the Charlevoix Kiwanis Youth Foundation. Students will learn leadership skills while engaging in school service and community service projects. Already this year the students have organized club officer elections and developed their projects, fundraisers and community service plan for the year. Students will learn the process of project management, team-work and how to reach their goals while helping others around them.

We thank Mrs. Leah Olson and Mr. John Young from the Kiwanis Club for leading our middle school students these very important leadership skills!

St. Mary School Builders Club will be having a bake sale on Friday, February 4, after the Special Person Day Mass. They are raising money for community service projects they are working on.

Catholic Schools Week begins January 30 and ends February 4. Special Person's day will be Friday, February 4. We will celebrate with Mass at 8:30am and a coffee and donut hour following. The schedule is attached.
